

Motion B

Competition within Ireland for athletes who are members of more than one club in Ireland.

1. Athletes may only compete for one club in open competition, (excluding competition for University, Schools or other closed club) this will be deemed to be the club of which the athlete has been a member the longest.
2. Having competed for a club in open competition an athlete cannot compete for another club in open competition within Ireland without going through the normal club transfer procedure.
3. A closed club is a club the membership of which is confined to members of a school, college, university, service unit or business house.

Motion C

Athletes Transferring Clubs

Athletes who transfer between AAI and Athletics NI directly affiliated clubs will be subject to the transfer procedure, including the team suspension requirements, of the governing body of the club they are joining.
