Eligibility

4. Only athletes eligible under NICGC rules will be considered (see Commonwealth Games Federation rule 25(2)). Athletes must be eligible to hold a UK passport by the date of final selection.

Athletics Nomination Criteria

5. The primary consideration in nominating any athlete for selection will be their performances and Commonwealth youth rankings during the 2017 season. The qualifying period is 1 January 2017 to 6 May 2017 for all events. Due to the early nomination date, performances from the 2016 season will be considered but performances and Commonwealth rankings in 2017 as well as the potential to medal, will be the primary considerations. The standards set are only guidelines, and if places are available the selectors may consider athletes who are close to the standard without achieving it. Achievement of the guideline standard does not guarantee selection.

Nomination Criteria (In Priority Order)

- a) 2017 performances (% of standard achieved) and Commonwealth youth ranking 2017 based on those performances.
- b) Potential to medal.
- c) 2016 performances (% of standard achieved) and Commonwealth youth ranking 2016 based on those performances.
- d) Consistency of performance

6. Athletics Northern Ireland will send final nominations to NICGC on 7th May. NICGC will confirm final selections shortly afterwards.

7. Athletics Northern Ireland will contact all nominated athletes following the Athletics Northern Ireland nomination meeting. The Athlete Development Lead will contact, by telephone, in confidence those athletes who are considered to be close to selection but not successful.

Appeals process

8. Athletes who have not been nominated by the Athletics Northern Ireland selection committee may appeal against their non-nomination. This must be a written appeal (letter or email) and be submitted to and received by the General Secretary of Athletics Northern Ireland by 8th May at 10am.

9. The appeal panel will consist of three representatives of Athletics Northern Ireland who were not involved in the initial selection process.

10. Appeals against non-nomination by the selection panel will only be permitted where

- a) an athlete can provide evidence that procedures had not been followed or
- b) that the panel reached a decision based on an error of fact.

11. Athletics Northern Ireland will also have the opportunity to appeal to the NICGC if athletes who have been nominated by Athletics Northern Ireland have not been selected. These appeals will be made ahead of the final announcement of the team. Individuals do not have the right of appeal directly to NICGC.

Athletics NI Nomination Criteria

The VI Commonwealth Youth Games will take place in Nassau, Bahamas from 19-23 July 2017. The Northern Ireland Commonwealth Games Council will be sending a small team to this championship and all sports will be competing for places on this team.

With this in mind Athletics Northern Ireland would like to make it clear that consideration for the Commonwealth Youth Games in Nassau will be based upon guideline standards (British 2015 World Youth Qualification Standards) and Commonwealth youth rankings during the qualification period from January 2017 until 6 May 2017. The size of the athletics team is unknown at this stage but is unlikely to be fewer than two or more than four athletes. Athletics NI will be giving priority to athletes with realistic medal potential.

These championships are clashing with the European Junior Championships / European Youth Olympic Festival and athletes will be expected to communicate to Athletics NI as well as Athletics Ireland or British Athletics what their priority competition will be.
