

Washingbay Green Run 2020 – Statement

It is the press release statement that we have tried our best to avoid since first having to postpone our event back in early March of this year. Despite all our efforts towards planning the safest running event possible, the worrying increase in Covid-19 cases across the island of Ireland has forced us to cancel the Washingbay Green Run for 2020. The decision process of cancelling our proud event has been tough but as we have stated previously, the health and wellbeing of our communities will always be our top priority.

However, there is some good news to deliver at least. We are pleased to announce that for everyone who is happy for their registration to roll over automatically onto the 2021 event scheduled for Saturday 13th March **at no additional cost**, you will be entered into a prize draw for a brand new 'Fitbit Versa 3' with the winner being announced on Saturday 31st October'20. The following 10 names out of the hat will win a free WGR'20 t-shirt of your preferred size.

If you still wish for a refund for this year's event we will require your request in writing to washingbaygr@gmail.com before 5pm on Friday 30th October. Unfortunately at the time of writing, we cannot confirm that entry fees for WGR'21 will remain on par with this year's originally planned event if you choose to opt-out at this stage.

We would like to take this opportunity to thank our sponsors for their ongoing support and understandably their sponsorship will roll automatically onto WGR'21. To end on a positive note, our club's donation to Pieta House for the WGR'20 event will remain in place in recognition of their monumental work during these testing times and we really look forward to the day when they can participate in the Washingbay Green Run.

Yours Faithfully,

Brendan Quinn
